**AMEND Senate Bill No. 2753\***

**House Bill No. 2684**

by deleting Section 1 of the printed bill and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 55-3-126, is amended by adding the following new subsection:

( ) When a manufacturer's statement of origin or an existing certificate of title on a motor vehicle is unavailable, a first lienholder or his designee may file a notarized copy of an instrument creating and evidencing a lien or encumbrance on such motor vehicle with the secretary of state and shall remit therewith a fee of ten dollars (\$10.00) for each lien to be filed. Such recording and filing shall constitute constructive notice of such lien against the motor vehicle described therein to creditors of the owner, subsequent purchasers and encumbrancers, except such liens as are by law dependent upon possession.

The constructive notice shall be effective from the date of the execution of the instrument creating and evidencing the lien or encumbrance if the same is filed as authorized herein within twenty (20) days after the date of the execution thereof. If the instrument is filed more than twenty (20) days after the execution thereof, the constructive notice shall date from the time of the filing of the instrument. Provided, that the filing of a lien under the provisions of this act by the lienholder and the payment of the fee therefor shall in no way relieve any person of the obligation of paying the fee now required by law for filing a lien to be evidenced on a certificate of title of a motor vehicle.

Whenever a lienholder or his designee files a lien under this act and later under other provisions of this section, the lien shall be presumed to be perfected at the time of the earliest filing.

The secretary of state may require as a condition of filing that any document submitted for filing as a lien under this subsection include a cover form, prescribed by the secretary of state, which identifies the name and address of each debtor, the name and address of the lienholder, the vehicle identification number of the motor vehicle, the date the document was executed, and the person and address to whom the acknowledgement of filing should be sent. Such cover form shall be considered part of the instrument creating and evidencing a lien or encumbrance on the motor vehicle described therein.

Upon request of any person, the secretary of state may issue his certificate showing whether there is on file, on the date stated therein, any presently effective liens naming a particular debtor, giving the date and hour of filing of each such lien, and the vehicle identification number and the name of the lienholder.
